

# *The City* *Treasure Hunt*

The City Treasure Hunt is a 2-3 hour event held in and around the very Heart of London. The group will be divided into teams of between six and eight people.

## **Format of the Treasure Hunt**

Each team will be issued a team pack. This will consist of a map, a list of Challenges, Bonus Items, Questions and Destinations, a Photo list and a camera.

Unlike many Treasure Hunts ours are not linear, in other words you will not need to find every answer in order for you to continue. Throughout the event the teams will need to answer, find or complete as many of the following categories as possible:

### ***Destinations***

The teams will have to find their way round as many destinations as they can from the clues given, most are cryptic, some will rely on observation, others you will just stumble across! These will include famous buildings and pubs.

### ***Questions***

Each team will have a series of questions to answer. Most of the questions will be about the area and history, however others will require deeper digging!

### ***Items***

Throughout the Treasure Hunt the teams will have to collect as many of the special items as they can. Typical items include: - a red pipe cleaner, a receipt for a £10,000+ piece of jewellery or a famous persons autograph.

### ***Challenges & Photos***

Using the camera supplied the team must capture on film actions or deeds as well some seemingly impossible missions!

### ***The Stalker (Optional for smaller group sizes)***

Teams **must** avoid The Stalker. If he catches you he will issue a forfeit....!

In brief this event is very competitive, very fast and loads of laughs. It requires little in the way of fitness, a lot of lateral thinking, observation skills and a bit of cheek!

The main advantages of doing a Treasure Hunt are that its just a bit different and gets you out and about enjoying the company of your workmates in one of the most beautiful cities in United Kingdom. Then you can pile into a bar and enjoy a well earned drink! The event is fun, fast and hilarious...
